Grow with ERHC

Chart a new course safeguarding the lives of those who safeguard our families & communities

- For 20 years, ERHC has served as a **leader in first responder medicine**, delivering specialized services to address the unique needs of emergency response professionals.
- Our comprehensive model spans **"360 degrees of care"** - preventative health and wellness, primary and urgent care, sports medicine, occupational medicine, physical therapy, mental health services, and workforce wellness consultation.
- Founded in Boise in 2004, we're **expanding our pioneering practice** through a second clinic serving Northeastern Washington/Northern Idaho. Our custom-outfitted new facility - designed with providers and patients in mind - will open in early 2025.
- We're seeking **top-caliber, mission-minded** physicians, mid-levels, allied health professionals, and support staff to help establish our new clinic. We hope you'll consider this opportunity to bring your passion, your expertise, and your **vision for what a rewarding practice means to you.**
